**Day for Life**

[Message for this year’s Day for Life from Bishop John Sherrington, Bishop Kevin Doran, and Bishop John Keenan]

There has been much discussion in the media recently about ‘assisted suicide’, whereby people who feel they are overburdened by suffering will be facilitated in bringing their lives to a premature end by a change in legislation.

The Catholic Church opposes this.

As Catholics, along with many people of other faiths and none, we share a different vision about what it is to be fully human, especially when we are suffering and approaching death in the hope of eternal life. People who are coming towards the end of their lives can feel vulnerable, and recent research shows that many consider themselves a burden on their loved ones and wider society. Jesus shows us that life always has dignity and that there is no such thing as a useless life.

We are called to defend this gift of life to its natural end and to protect vulnerable citizens from a culture that could pressure them into assisted suicide. We support people with the companionship of a listening ear, appropriate treatment, and the best of care, so that their last days can be times of grace, intimacy and love.

Jesus did not send the sick away. Our Lady remained at the foot of the Cross to the very end as Her Son, Jesus, died. Mary is the model of compassionate presence and prayer whom we are called to imitate. People close to death and their loved ones, often go through similar darkness and pain but can come to a more complete acceptance and find peace in those treasured last moments accompanied by spiritual care.

Responsorial Psalm: It is good to give you thanks, O Lord.

## **DAY FOR LIFE.**

There will be a retiring collection today for the diocesan ministry to protect human life.

## **WASTEGROUND DEVELOPMENT**

I was asked this week to remove the information about the wasteground from the website because further details about the development are still forthcoming, and it is important not to give incorrect information. Apologies for the confusion caused by this change!

What we do know is that it is proposed to include garden and landscaping areas, an area for gathering for celebrations, and a prayer space, as well as some additional parking, and proper fencing. The project has been fully costed by the British Province of the Jesuits who are actively seeking to move forward with the project. It is important that parishioners are aware of the plans and also the entire project will need to be proposed to Haringey Council for prior approval.
