Remembrance Sunday

On this day each year we remember all who have been killed in the two World Wars, and in the other wars that have caused so much destruction and grief. We continue to pray for an end to the war in Ukraine and in the Middle East, and in other parts of the world where there continues to be destruction, hostility and deaths.

A Message from Cardinal Vincent Nichols to all the parishes in our diocese:

Dear Father,

You do not need me to tell you of the seriousness of the present situation in the Middle East and, in particular, the violence presently taking place in Lebanon and Israel. We see clearly that the potential for an escalating conflict, and all that this implies, is now immediate.

I ask you to include in the intentions for prayer this weekend an urgent cry to our Heavenly Father to touch and change all hearts that are intent on warfare, and to strengthen those who work for ceasefires and the progress of peaceful cooperation.

As this conflict spreads, more division will appear. As well as the threats and dread that fill the hearts of Jewish people, this conflict will now touch more deeply all Islamic communities, especially the Shia community in Lebanon, as well as the Christian communities there. Please pray that relationships here between these three great faiths can endure, not only in the countless interfaith local /

projects in service of those in need, which are such a feature of our society today, but also in many personal friendships. This is the witness we must continue to give.

With all good wishes, +Vincent

Pope's Prayer Intention (November) For anyone who has lost a child
We pray that all parents who mourn the loss of a son or daughter find support in their community and receive peace and consolation from the Holy Spirit.

Prayer for peace in the Middle East:

God of mercy and compassion,
of grace and reconciliation,
pour your power upon all your children in the Middle East:
Jews, Muslims and Christians,
Palestinians and Israelis.

Let hatred be turned into love, fear to trust, despair to hope,
oppression to freedom, occupation to liberation,
that violent encounters may be replaced by loving embraces,
and peace and justice could be experienced by all.
